- 1.00 - 2.30** Lunch and networking, exploring stalls. During this period the public are also invited to come in and see stalls and learn about individual groups. This is a way for groups to meet people interested in heritage, some of whom may be tempted to volunteer with the organisations.

We will have large sheets on a wall/display boards signposting to some national and regional initiatives. There will also be post-its available, which will be added as a result of the morning session, but also by individuals during the day.
- 3.30 – 4.00** Tidying away of stalls.
- 4.00** Close.
