ABOUT HELENSBURGH HEROES

The charity Helensburgh Heroes believes that everyone has it within themselves to be a 'hero' and that sometimes we need a catalyst to make us aware of this.

Every town in Scotland has close associations with people who have made significant contributions to society, and whose achievements have made their communities rightly proud.

These are inspirational stories; they provide a diversity of role models, encouraging others to challenge both expectations and boundaries to become the best they can be.

The Heroes Centre was opened in late 2017.

The Centre brings to life the charity's concept of promoting inspiring role models for the well-being of our community.

HEROES EXHIBITION

The Centre includes a gallery space offering a contemporary and flexible area for dynamic displays. Our curated temporary exhibitions are designed to tell the stories of the many inspirational people with Helensburgh connections.

HEROES EVENTS

The Centre offers a wide ranging and stimulating year round events programme for both the local community and visitors to enjoy.

CHILDREN'S UNIVERSITY SCOTLAND

The Helensburgh Heroes Centre is a designated learning destination for the Children's University Scotland.

HEROES GIFTS

Our shop is stocked full of Helensburgh and Heroes themed gifts - from books, tee shirts, postcards to posters - with many exclusively designed for us.

VISITOR CENTRE

The Heroes Centre includes a full Visitor Information service, with our friendly team on hand to offer our visitors advice and provide local information to help them get the most from their trip to the Helensburgh area.

JOHN MUIR WAY

The Heroes Centre is the official partner of the John Muir Way. Stretching 134 miles (215 km) across Scotland's heartland, the John Muir Way runs between Helensburgh on the west to Dunbar, his birthplace, on the east coast.

Official completion certificates and guides are available from the Centre.
